BRYANT STREET/CALIFORNIA STREET
CAMPUSES

TRIMESTER 1
2019/2020

ILCS ELECTIVE INSTRUCTIONS

Electives are offered from 1:45-2:45 pm (unless otherwise indicated). Electives that do not have enough participation may be cancelled. Days, times, classes, teachers, and costs are subject to change.

Bryant Street Campus: Kindergarten 1:50-2:50

Bryant Street Campus: 1st/2nd grade 1:50-2:50 pm unless noted in the class sign up area. A snack or a small lunch is welcomed for this time. Kinder parents, please pick your child up promptly at 1:40, as elective teachers need to prepare for their next class.

Electives without a cost displayed are free. *Some electives, however, require parents to pay for materials or teacher compensation, so please keep this in mind when choosing classes.* The name of the elective teacher is listed in parenthesis. If you have more than one child in your family seeking electives, you need to go back into your email and click the link again to sign up for each of your other children. The names, numbers, and websites (if available) of elective teachers are listed below for you to contact if you have any questions. Once electives are posted, a waitlist form will be available online where you will be able to sign your child up for additional electives and/or be placed on a waitlist for full classes. If your child is accepted into an additional elective, you will be notified. Do not call the school to ask about elective placement. Use the online "Waitlist" form found in the "Electives" tab at inlandleaders.com. Please remember to send or pre-purchase a lunch on the days your student attends electives and insure they are picked up in a timely fashion. Students who do not attend their elective consistently will be dropped from the class. Electives are a privilege and student expectations for excellent behavior apply. They are not intended as "after school care," but to provide enrichment opportunities. Students who seem disinterested or unmotivated may be exited. Students who qualify for the "Success Academy" will be expected to take intervention classes above taking electives. We look forward to offering another great trimester of after-school programs.
